

4th Annual National Day of Prayer

What

A community wide interfaith observance of the National Day of Prayer that will commemorate Yom Hashoa (Holocaust Memorial Day), while expounding on the fact that these kinds of atrocities can only occur when good people choose to not pay attention or get involved. The Troy Interfaith Group is promoting the idea that through learning about one another and communal prayer, we will all be interconnected enough to watch out for and respect each other. Our Interfaith service this year will include a variety of local musicians and will also include prayers and songs from the Hindu, Sikh, Christian and Jewish religions (others may be added as we finalize the program)
